ATTENTION RIDERS UNDER 18 YEARS OF AGE

Remember – if you are a rider under 18 years of age……..,
Parent, legal guardian, or authorized adult must accompany you to sign-up each week and sign consent forms. An authorized adult must be over 18 years of age and have **NORTORIZED** authorization from parent or legal guardian to allow you to register and race that day. Blank authorization is not acceptable. You must specify date, track, on the form. This form is retained by the track each event. Said authorized adult must remain present at all times during the participation of the minor for which they are responsible.

In addition – the minor rider must have a **NOTORIZED MEDICAL RELEASE** form signed by parent or legal guardian. During competition the rider must have on their person, (i.e. – lining of helmet, inside pants pocket), said **NOTORIZED MEDICAL RELEASE FORM.** This form can be downloaded from the MSC WEB SITE – www.mscmotocross. It is also available from the Registrar/PointsKeeper. The rider is responsible to bring this form to each event completed and **NOTORIZED.**
