TO ALL PARTICIPANTS AND SPECTATORS

Voluntarily you have entered an M.S.C. motocross competition event. The Metropolitan Sports Committee (aka M.S.C.) records all points earned by contestants. It does not inspect or monitor the track / event, nor does it indicate that the officials are trained or accredited by the M.S.C. It also does not indicate that your safety has been assured by any M.S.C. authority or the promoter.

You should take part in this competition based on your own assessment of your abilities. Motocross is a challenging & dangerous sport.

If you have not personally inspected the racetrack, we urge you to do so. You will be provided the opportunity to practice under non-competitive conditions. If you have not practiced, we urge you to contact the referee at this time. You are responsible for the quality and condition of your vehicle and protective apparel.

The promoter does not provide medical insurance coverage. We urge you not to compete in motocross without adequate personal medical insurance coverage. If you have any doubts at this time about your personal abilities to participate in this event, if you have not adequately **prepared yourself and your equipment**, or if you believe your personal insurance coverage is not adequate to compensate you for any loss that might occur, we urge you to notify the promoter or referee immediately. Spectators witnessing these events must assume all risks for any injuries or damages resulting while on the premises at any time.

American Motorcyclist Association (aka AMA) provides a rulebook for all M.S.C. events in 2022. Additionally, the M.S.C. will provide within this book the supplemental rules to govern all Metropolitan Sports Committee events. American Motorcyclist Association provides the rulebook

Contestants not adhering to AMA rules and/or our rules will be subject to reprimand and/or suspension from the Metropolitan Sports Committee.

The Promoting Organizations reserve the right to restrict admission onto the premises or participation in an event to any individual (s) for any reason, to ensure the safety and wellbeing of the contestants, spectators, and patrons, as necessary.

All M.S.C. classes require this 3 rider "**applicant**" minimum. There are no exceptions.

ALL MSC RIDERS WILL BE ELIGIBLE FOR CHAMPIONSHIP AWARDS BASED ON POINTS.

Section 4: Scoring 1st race is Moto 1. 2nd race is Moto 2. Both motos are combined for Overall Finish. A rider who started but did not finish the moto will receive a DNF (88). Section 5: Rider Classification: Youth, Novice C, Amateur B & Expert A

Youth - A rider's age on January 1 will determine his / her age for the year. However, a rider may move to the next higher age class (within the Youth Division only) once he / she has met the age requirement. Rider may do so at any time during the year, but once a rider moves to the higher age class in competition, he/she may not move back to the lower age class. Riders are encouraged to determine at the beginning of the points season which age class they will participate in for the points season / year.

Points earned in a lower age class will not transfer to the higher age class.

***Riders between the ages of 12 and 14 riding in the B classes cannot be forced to advance to the A class until January 1 following their 15th birthday.** Riders in this age group may advance based on their ability/competence.

Riders returning to competition after an absence of one year or more cannot assume to ride in a lower classification. A rider must petition the M.S.C. for an evaluation of his/her skill level. The M.S.C. will then provide a determination.
